Usage Guide

Where and how to use each logo variant

Email Signature	Horizontal	Paste the horizontal logo below your name. Ideal width: 200px.
Website Header	Horizontal	Top-left corner of your site. Use at 150-250px wide.
Social Media Profile	Icon (Square)	LinkedIn, Twitter, Instagram, Facebook profile picture.
Browser Favicon	Icon (Square)	Auto-applied to your website browser tab.
Business Cards	Both	Horizontal on front, Icon on back.
Letterhead	Horizontal	Top of professional documents at 2 inches wide.
Invoices	Horizontal	Header of invoices and receipts.
Mobile App Icon	Icon (Square)	iOS/Android store app icon.
Presentation Slides	Horizontal	Title slide or footer of each slide.
Marketing Ads	Both	Horizontal for banners, Icon for square posts.
Print Materials	Horizontal	Flyers, brochures, posters.
Video Watermark	Icon	Corner of promotional videos.

Logo Rules:

- Never stretch, rotate, or distort the logo
- Maintain clear space around the logo equal to the 'C' height
- Always use on contrasting backgrounds for readability
- Do not change the colors or add effects
